To the Class of 1993:

It gives me great pleasure to extend to you the congratulations and best wishes of the faculty and staff of Peabody Veterans Memorial High School upon the completion of your high school education.

Your class will always hold a special place in my heart. We were "freshmen" together, as your freshman year was my first year as principal of Peabody Veterans Memorial High School. I will never forget standing in front of you that first time in the field house on that warm day in September of 1989! We have all come a long way from that place and time.

I have enjoyed watching you grow over these past four years. It has been an honor for me to be a part of your life. I hope you will look back with fond memories of your career at Peabody Veterans Memorial High School.

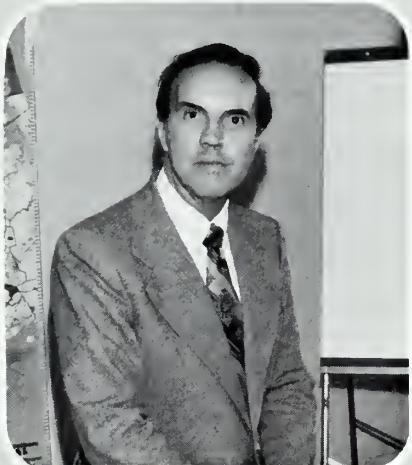

You have been lucky to have teachers and administrators who not only care about you as students but as individuals. The relationships you have formed over the past four years are important ones; I sincerely hope you do not soon forget the friends and teachers who have played key roles in your life.

Health and happiness to the Class of 1993!

Sincerely,

Joan Carr

IN MEMORIUM

Jerry Konopasek
Class Of '92
1974-1993

A child is born innocent and free,
Like a flower blooming on morning dew.
A wonderous event celebrating life,
Something great; that we should never sacrifice.
But here we are with sadness in our hearts,
Someone has left us forever apart,
We don't know why but bear this pain,
Only his memory will always remain.
But the memories we have will last forever,
Thoughts that remain and never sever.
Times when he laughed and times when he cried,
It's hard to believe we can't say goodbye.
In our hearts for the many who cared,
Loosing his friendship is what we most feared.
Not seeing his face from day to day,
Never again hearing what he has to say.
Does the emptiness inside ever seem to cease,
Even though we know he's finally at peace?
A far away place that's where he'll be,
For this little boy's soul is eternally free.

SENIORS

To the Class of 1993,

It's been a long and difficult four years here, but we've finally made it. We hope the memories you have of your high school years remain with you for the rest of your lives. Good Luck to each and everyone of you and may you all be successful in everything you do.

It's been our pleasure to have been your class officers.

Sincerely,

Cheryl Michaud, **President**

Dave Mailloux, **Vice-President**

Julie Mahan, **Secretary**

CLASS HISTORY

The date: September 5, 1989. The place: Peabody Veterans Memorial High School. If you close your eyes, and try to remember, it will seem like only yesterday.

We were three hundred twenty very scared freshmen, most of us entering the building for the first time. Sure, some of us had been here to see older brothers and sisters or cousins graduate. Some of us came to see the amazing sports teams play. But now, we were here for four years. Every day.

As we filed into the gym, we all wondered what this first day would be like. As they called our names, we followed our new homeroom teachers through hallways, and up flight after flight of stairs and finally we were there. But the real question was WHERE was THERE?

In our homerooms, we received schedules, and locker combinations, and informative lectures from our homeroom teachers: "Remember this and you'll be fine," they said. "Blue lockers in A-house, Red lockers in B-house, and Orange lockers in C-house"

Then, the bell rang, and immediately, everyone moved in a zombie-like trance towards where they THOUGHT was their first period class. For many, though, this was just not true. Half of us were still stuck at our lockers trying in vain to get them open. The other half was still VERY lost. But, sure enough, we finally realized where we were going after a while. Actually, it was two weeks later before everyone possessed a confidence in where they were supposed to be. But, that didn't mean that things got easier. It would be a struggling uphill battle through solving equations, diagramming sentences, learning our constitutional amendments, and dissecting dead, yet well-preserved-in-formaldehyde worms. And THESE were the best years of our lives?

That year, the class officers were Shaunna Stevens as president, Mike Voyer as vice president, Julie Mahan as secretary, and Allyson Troupe as treasurer. Our advisor was Mr. Hallinan.

Suddenly, June came, and our freshman year was over. The year of the hardships of Algebra or Geometry, and the frog and the worm were far behind us. (But like the frog was actually any better, right?) Then, we were Sophomores. It sounded a lot better to be a sophomore, than to be a freshman, and we all breathed sighs of relief, even though we still had a long way to go. Getting your learners permit was a big deal that year, and we were all glad to have it. Sophomore year was also the big year for our incredible football team, whose season not only ended eleven wins, no losses, but they also made it to Foxborough to beat Tewksbury in the Super Bowl, the score being a close 20-14. The officers that year were Jeanine Carco as president, Dave Mailloux as vice president, Julie Mahan as secretary, and Allyson Troupe as treasurer. Our advisor, Mrs. Espindle, helped us organize our first official class fundraiser as

sophomores: the bake sale at the eighth grade orientation night. Those who helped put it together had a lot of fun, and we made one hundred dollars, not a lot of money, but a good start for the following year.

That summer came just as quickly as the last, and if you went to Tanner City Driving School, or Exlent Driving School, that was another story. Sophomore, and Junior years were filled with great fun, spent scaring your parents, careening recklessly down Lowell Street in the middle of horrible weather conditions. Remember Diane, Roger, Arthur, and Jodi? Road lessons were great, especially if you had them immediately after a big snow storm. Sharing the road with big trucks was an experience in it self.

Then, we were juniors. Everyone told us that junior year was the most important year of high school, and we believed them. The horizon held the sight of graduation, and our underclassmen days were over. Finally. As our older sisters and brothers did before us, we were finally able to torture little underclassmen, and boy, Was it fun, or what!!!?

Our first class event was the Junior Class Halloween Party, and thanks to the class officers that year, (Cheryl Michaud, president: Dave Mailloux, vice president: Christine Bucharowski, secretary: and Allyson Troupe, treasurer) it was, a minor success. Only a few of us went, but hey, we had a great time anyways. Prizes were given out to those who wore the best costumes, and First prize went to six girls who dressed up as the main characters from *The Wizard Of Oz*. Allyson Troupe was Dorothy, Tracy Savy was the Wicked Witch of the West, Amy Delulis was the Good Witch of the North, Jana Reardon was the Tin Man, Cheryl Michaud was the Scarecrow, and then, Julie Mahan was the Cowardly Lion. Second prize went to Jenn Wheatley who dressed up as Pat, from SNL. Third prize went to Jenn Felix, who dressed up as a Spanish senorita.

Student council worked really hard all first quarter, and the result was the Homecoming Dance. It took place on November 26, 1991 in the high school cafeteria from 7-10:30 pm. Many people danced the night away, and had a fantastic time. Teddy Kleimola, and Ann Roche were elected homecoming king and queen, and everyone looked fabulous. Then, it was time to pick out our class rings, and those certainly cost a pretty penny. Class dues proved to be a helpful fundraiser. Did you pay yours?

Then, one of the biggest events of high school arrived: the Junior semi-formal. On February 1, 1992, two hundred of us danced, ate, and had a great time at Jimmy's Allenhurst's in Danvers. Everyone dressed up in their stunning suits, and dazzling dresses for a night to remember.

That year was also a banner year for sports. PVMHS' basketball team went undefeated for a full seventeen games. The gymnastics team became the GBL champs, and so did our

CLASS HISTORY

excellent track team, indoors, and out. The soccer team, boys, and girls both, made it to the tournament, and although our field hockey team only scored a goal, or two, at least they looked good, right?

Then, on March 26th, some of us got scheduled for our senior year classes. It was amazing because it didn't seem like that long ago when we went to the library at Higgins to get scheduled for our freshman year classes.

Not that much later, prom tickets went on sale, and everyone started getting ready for the most important night of their junior year. "What dress are you wearing?" and "Who are you going with?" were common questions asked in the days before the prom by all the girls going to their night of glory. That night, the guys questioned the fact that the shoes with the tuxedo were made of plastic, and "Why won't this boudoir stay on?" rang out all over the dance floor.

That special night seemed to last forever. On May 8, 1992, 240 of the best dressed appeared at the Sheraton Tara in Danvers, ready for dancing and fun. Do you remember what we had for dinner? How could we forget—Chicken Surprise! The song that you guys all picked as the Prom Song of 1992 was "Wonderful Tonight" by Eric Clapton. Prom king and queen were Mike Simeone, and Allyson Troupe. The queen's court was Donna Hayes, Tara Karamas, Laurie Melville, Cheryl Michaud, Cindy Mara, and Jennifer Kucker. The king's court was Danny Wheadon, Alex Felizardo, Tom Clark, Ricky Bettencourt, Matt Enderwick, and Mike Petrone. We danced, ate, and had a fantastic night. Even Ms. Carr had a great time. Remember when she danced with Alex Felizardo? Or how could we forget?

Then, the year from hell was over. We were no longer Juniors; in a matter of weeks, we would be Seniors. All of our older friends reminded us of the scary concepts of SATs, ACTs, FAFs, and other initials that reminded us that college was not that far off, sitting on the horizon. We all would soon enough learn the true meaning of the word STRESS and then, our eyes would roam the shelves at CVS, looking for economy-sized bottles of Advil.

We walked into the school on the 10th of September with incredible confidence. This was going to be the best year of our life! Reality hit us smack in the face in the form of large quantities of homework from reading epic plays like Beowulf to complex compounds in Organic Chem. But, if school got us down, or we were bored, we could always write insightful, and gooshy, sentimental messages on the backs of our senior pictures that came back about a month or two after we got them taken. That always seemed to pass the time.

Then, we had the Halloween party. It was held on October 24, 1992 at the Village Green in Danvers from 7-11:30 pm. It definitely became teacher participation night as Ms. Carr

was a football player, Ms. McGovern was a nun, Mr. Metropolis was a referee, Mr. Nelson was a doctor, and Mr. Hallinan dressed up as the Jolly Green Giant. We tried a new thing and had a DJ with Karaoke. Everyone enjoyed the Karaoke, and even the teachers got into it at one point. Prizes were awarded to those whose costumes demonstrated originality and creativity. Jana Reardon and Steve Michaelson won prizes for dressing up as Cave People. Amy Delulis and Alex Felizardo dressed up as Mickey and Minnie Mouse, and they also picked up prizes. But, the top winners for the night were the crew that dressed up as the characters from "Gilligan's Island". They were Erin Doyle (Gilligan), Jenny Gorevitz (Skipper), Lisa Marcuelle (Ginger), Staci Federman (Mary Ann), Stephanie Stuart (Thurston Howell III), and Leigh-Ann Osborne (the Professor). Overall, the night was lots of fun.

We got measured for caps and gowns in November, and soon realized that we were heading for the end.

Our semi-formal was held on January 17, 1993 at the Danversport Yacht Club from 6:30 p.m. - 11:30 p.m. It was a night to remember for all of us as we danced and ate and drank and thought of all the good times we shared with our friends over the past years.

Our senior year sped by from then on, and everyone took their turn to go down the long and winding senior slide towards an inevitable end. We were out of classes by the end of May, and then, the prom became the talk of the senior class.

On June 11, 1993, we had our senior prom at the Longwharf Marriott amidst the bright lights of Boston. From seven to twelve, the senior class danced away their last night together as a group of friends. We would never forget the faces, and always remember the laughter of that special night.

And now, here we are again. We are together as a class for the very last time. The four of us stand before you not only as your class officers, but as your friends, to say goodbye. We're also here to thank you for giving the four of us the pleasure of being your class officers. Every event, every occurrence makes each of us proud to be such an important part of our class. Before we say goodbye for the last time, allow us to say just a few more words:

It's most important to hold onto your dreams, and your hopes, and feelings, because, it is only with these that you will find your life. Remember this, because no matter where you go, and what you do, your dreams are a very important part of you, and don't let anyone take those dreams away.

Sincerest Regards,
Cheryl Michaud - President
Dave Mailloux - Vice President
Julie Mahan - Secretary
Allyson Troupe - Treasurer

The Tanner football team ended its '92 season only four points away from clinching what would have been its second Super Bowl berth of the decade. After dropping its first two games to Salem and Everett, the team seemed to be facing a long season. But with the return of running back Buster Maglione and help from the underclassmen, the Tanners won five straight, giving the GBL champ Arlington its only loss of the season. As the season wound down, the team lost two straight heartbreakers-to Malden 28-27 and Waltham 3-0. With its traditional Thanksgiving Day rival Saugus coming to play in what turned out to be the "Mud Bowl", the Tanners won 28-6, finishing the season with a 6-4 record.

Next year the Tanners will be led by co-captains John Vargas and Scott Marculeor.

Congratulations to the players, coaches, cheerleaders, and boosters, all of whom contributed to a winning season.

The boy's soccer had an incredible season this year, but it did not come without the strain of emotional pressures.

Starting with an amazing string of 12 straight wins, the Tanners fell one game shy of GBL champs. The boy's soccer team later qualified for the State Tournament for the third year in a row and beat Medford for the first time since the Soccer program was begun!

Behind the efforts of GBL leading scorer Matt Stein and goal keeper Mike Ring the Tanners brought their record to a thrilling 12 5 2. A great season is an understatement!

GOLF TEAM

From left to right: Jeff Grove, Dave Rubenstein, Rich Trainito, Chris Morfis, Jason Shanahan, Jen Webster, Jon Marron, Mark Pellizzaro, Steven Racki, Dennis Goncalves, and Coach George Hennessey.

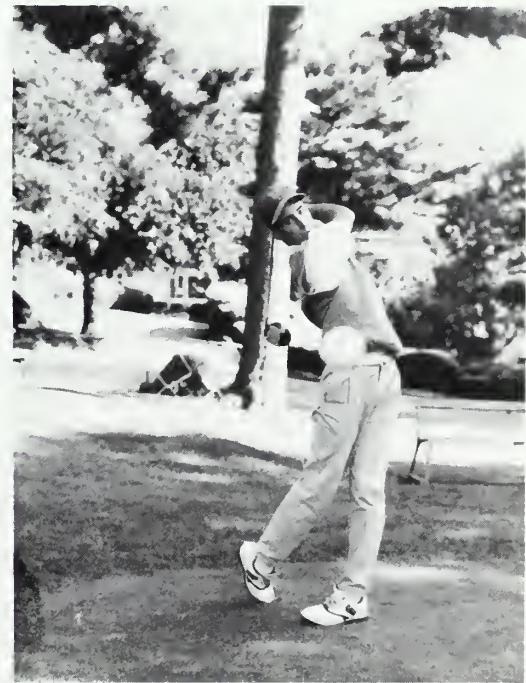

The Peabody High golf team has once again had an outstanding season this fall. The team started off extremely well, winning their first five matches. Then, in a controversial match against Medford, Peabody suffered its first loss in eight years, breaking a ninety-two match winning streak.

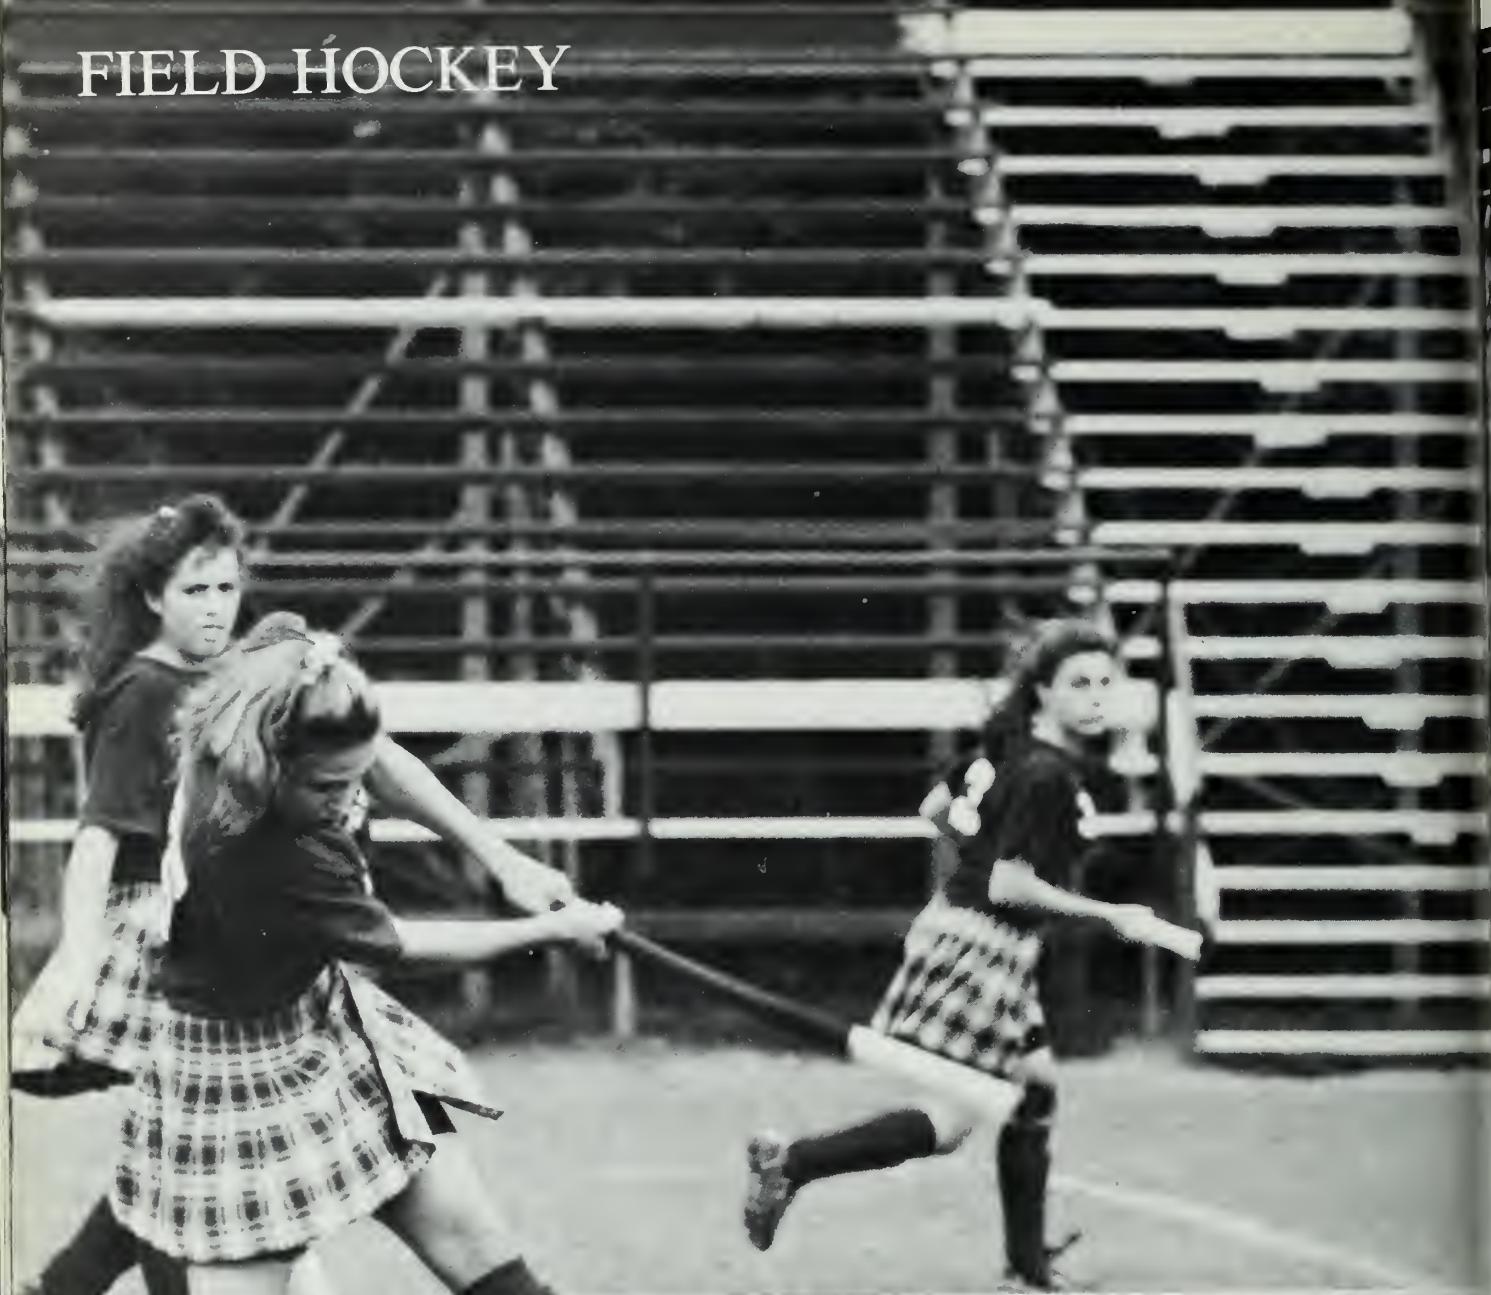

The team proceeded to rally after this loss, and tied Arlington for first place with two more matches left in the season. The two teams tied in their first meeting, but Peabody easily won the next by a score of 11-1, to capture the GBL crown for the eighth straight year.

The next step for the team was to qualify for the state tournament. Peabody tied for second place, but only two of eleven teams make it. Unfortunately, the Tanners lost the tiebreaker and ended another highly successful campaign. Seniors Jon Marrou and Jen Webster will be competing for the individual state golf championship in the spring.

The season was highlighted by Coach George Hennessey receiving his three-hundredth victory. He has coached for twenty-six years. His teams have compiled an admirable record, including eleven championships and never finishing lower than second place in the league.

This year, the field hockey team had one of its best seasons ever. Although they only had three wins, they showed tremendous improvement with each game. Among the wins was the victory over longtime rival Bishop Fenwick. The other highlight of the season was the 2-0 win over first place Arlington. The offense and defense worked well together under captains Tracy Savy and Sandy Wright. Our team was fortunate enough to have four seniors elected to the all-star team: Jennifer Keimach, Cheryl Michaud, Julie Mahan and goalie Jennifer Wheatley. The team will be saying goodbye to 12 terrific seniors. We wish them lots of luck along with next year's team led by Kathy Longworth and Stephanie Senese. Keep up the good work!

HOCKEY CHEERLEADERS

The 1992-1993 hockey cheerleading season was a great success. The cheerleaders enjoyed spending a lot of time together between going to the games, out to eat together, and over each others house. The cheerleaders also enjoyed getting to know the players on a friendly basis. They had a dinner for the players and also decorated their houses before the first game.

The cheerleaders attended camp over the summer, working hard to prepare for the pep rally held in December. They also had their initiation over the summer which involved dressing up in odd types of clothing and cheering at Revere Beach in this attire. It was very embarrassing for all but it was worth it.

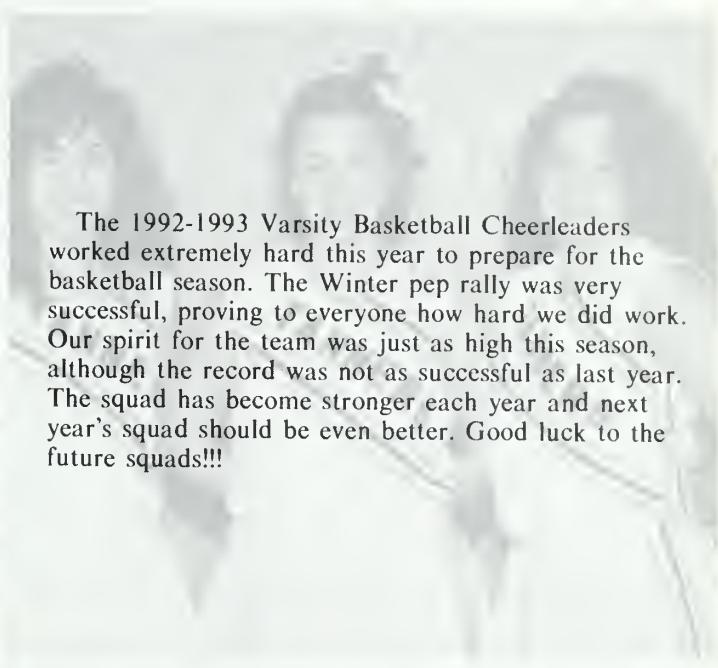

The cheerleaders worked hard and also had a lot of fun, making the 1992-1993 hockey cheering season pleasurable and memorable.

PETER D. MOONEY
DIRECTOR

To The Class of 1993:

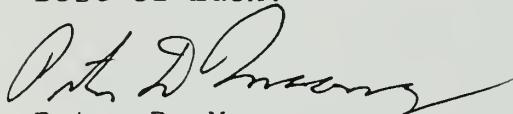

It does not seem possible that four short years have flown since first we met in September of 1989. However, it is indeed a pleasure to offer my most sincere congratulations to the members of the Class of 1993. May your futures be bright and all of your endeavors meet with the greatest success.

You have grown and matured physically, academically and socially during the past four years at Peabody Veterans Memorial High School and Peabody Vocational High School. You have worked hard and persevered to develop many new skills that you will continue to draw upon in the years ahead. You have acquired athletic, academic, technical and social abilities that will provide a firm foundation for your future accomplishments.

We now live in a highly technical, complex and rapidly changing environment. Your teachers have endeavored to provide you with the tools that will enable you to cope with the demands and challenges you will face. Those of you who have completed vocational training programs are uniquely prepared to embark on the road that lies ahead. You have acquired the skills, knowledge and technical expertise that employers seek.

It has been a pleasure to know you and work with you while observing your many unique accomplishments. Your teachers and I are confident that you will be outstanding representatives of the Peabody community.

Best of Luck!

CLASS OF 1993 - HISTORY

We swaggered into the Peabody Vocational High School four years ago and found that we had only one corridor to get lost in during our upcoming high school experience. We started those first few weeks by wandering that one corridor wondering what the next four years held in store for us. Our wanderings will soon be over, but we are still wondering how we managed to get through the past four years as an entire group as this brief history will show.

There was Jason Andrews in freshman year thinking that he was the best athlete in the whole group. Well, that notion soon passed when he gave up three goals in two minutes in a floor hockey game. In auto body, the dynamic trio of Julio Cunha, David Lombardi, and Eric Frechette used and abused a Nova thinking all the while they were doing something "educational". Peter Seeley discovered the meaning of "bird bathing". Manny "I know it all" Palhares knew it all on the first day in auto mechanics. David Corriveau and Sean Haidaczuk may remember those tag team matches they had with the likes of wrestling greats like Jason Andrews and Chris Lyman and not so greats like Manny Gregorio and Tom Clark. Brian Tavares must recall the near cosmic experience he had with the mud puddle the first day of freshman year. Machine shop was a lonely place for Chris Graham until Bob Silva joined the crew of two. The electrical shop had Mr. Smyrnios introducing Donald Comeau and Richard Breault to the fine art of wiring along with Ronnie Nickerson and Brian Tavares. These guys were almost wired themselves as Brian Tavares can confirm with his "needle nose plier" story.

Sophomore year started with a "bang". David Corriveau got a concussion, and he also got a free ride to the hospital that day. George Moutsoulas arrived on the scene during the sophomore year, and he has never let us forget it. We started with Mr. Mello's paper brigade. As paper brigadiers we did a lot of work that year. Chris Lyman got what might be called a "tardiness achievement" award that second year. Gary Ferguson met "Malcolm" the hard way by marrying the back of his car. Gary, pay attention. George Moutsoulas retired from boxing with a double victory over Jason Andrews and Jason Chapman. Tom Clark started his aerobatics antics with a fall from the gazebo, a freestanding roofed structure, built by the carpentry shop for uses other than antics. We met Mr. Ryan the hard way when he threw us all around the hockey floor. George Moutsoulas spent the last three weeks of U.S. history rethinking his behavior in the corridor. David Lombardi got his name "Crash" after his accident, and Mike Cahill and Randy Michaud joined the mighty two in the machine shop.

We were still swaggering junior year, but we did take time out to talk. Everyone will remember forever the discussion group we had with Ms Rose Baker every Thursday after lunch. Everyone caught up with Brad LeBlanc when he decided to become a professional junior that year. Julio Cunha had a hair-raising experience with a windshield of a car. The remainder of the year seemed like a blank. Brad LeBlanc and David Corriveau always needed "attitude adjustments" made during Mr. Mello's history class, and they got them in the corridor with coffee. Gary Ferguson purchased the famous "arc" and left it to the class of '94 in his will. Wes Maribito joined us that year and was quickly taught the safety rules by Rob Williams. Robert Turner also arrived and soon found his work boot in the strangest place. Thank God those boots are water proof. Experimentation took on new meaning when Dave Lombardi and Peter Seeley joined Manny Palhares with an air hose and an oil can. Yes, that day proved that pressure could build up in a lot of places including Mr. Actis. Rob Turner also learned to do gymnastic flips his first day. Mr. Mooney was not impressed with Joe Furtado's place kicking a trash barrel. The floor hockey team, Sudden Impact, won the championship during the year with help from such stars as Manny Gregorio and George Moutsoulas who really taught us to fly on the floor. Shawn Bourassa and Joe Furtado got their only goals with Sean Haidaczuk on the boards against Peter Seeley. Tex had some busy moments down machine shop with the likes of Mike Cahill, Chris Graham and Randy Michaud. From staples to day old hamburgers were all part of the experiences. Our electrical shop became movie critics during this year under the watchful eye of Mr. Lembidakis or "Lumpy" to us. Kelly Graham and Paul David got on that bus to Salem every day at lunch, but they never looked too happy to be going.

It doesn't seem possible that we are in our last year of high school. It's 1993 and we're still wondering but now the wonderings are about jobs, school and the future. Will our class officers be the ones they promised when they were candidates? Will President Manny Gregorio be able to hold the active Jason Andrews from out growing his position as Vice President? Will the two secretaries be able to keep tabs on each other and the class? Finally, will building up a balance of money for class projects be worth it if Rob Williams is the Treasurer with eyes on new tires? Ah well, it's all to be seen in 1993. Right now we all have hopes of getting jobs on co-op to begin earning some money and gaining some experience.

Some people believe that cosmetology is just "doing hair". To the members of the cosmetology class of 1993, it means a future, a career filled with many opportunities and adventures.

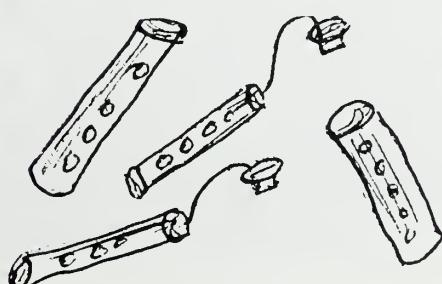

Cosmetology at Peabody High School has taught us how to get along with each other and with our clients, how to express our selves through our work, given us self confidence, the realization of our creative abilities and most of all an appreciation of each individual's potential.

I would like to dedicate the two pages to Mr. Hurton and Mrs. Coy for making these past two years a positive experience. As we leave P.V.M.H.S. our sincere congratulations to all the seniors and may all your hopes and dreams come true.
